Sign Up for Free Mobile Banking Now! It's Simple.
Please note you must have an online FSB account to enroll for mobile banking.
Be sure to have your mobile phone with you during the enrollment process.

- Step 1:** Log in to your FSB online banking account and click the Internet Banking tab (top of page on left).
- Step 2:** Enter your User ID and Password to sign in to your online account.
- Step 3:** Click on the Services tab (left side of the page) to expand the section and select Mobile Money.
- Step 4:** Your name will appear as the Mobile Money user. Select Enroll (below name).
- Step 5:** Read the Terms and Conditions and check the box that says "I accept these Terms and Conditions." Then click on continue.
- Step 6:** Choose which of the three services you would like to use. Check the appropriate box. Then scroll down and click on continue.
- Step 7:** Select your time zone which helps us to determine when to send alerts to your phone. Then select the account you wish to access through Mobile Banking and confirm their nicknames. The nickname identifies the account in a text message. For example, to check your transaction history, text HIST followed by the account nickname, such as S1.
- Step 8:** After clicking continue, enter your mobile phone number and click continue once more.
- Step 9:** Once you receive the text message with the activation code, enter it into the box on the screen and select activate to start.

*Note: If your mobile agreement does not include text messaging and a data plan, normal charges from your mobile provider may apply.

Want to Bank from your Tablet?

You can operate the FSB online banking site using any standard tablet, but you may experience some functionality limitations, specifically access to certain drop down menus. To check it out, simply type www.trimontbank.com into your tablet's internet browser and log in to your online banking account.
